ARK USA

NSYLVANIA

It's a new day at Hersheypark. Your day. And there's a wonderland of fantasy and excitement ahead. Follow us. We'll lead you down the pathways of imagination... Taste the flavor of the old world at **TUDOR SQUARE**. An English Tudor village straight from the days of Henry VIII. Treat yourself like royalty. Indulge. Sample old-fashioned ice cream sodas, delicious chocolate cream pie, masses of mouth-watering milk chocolate. Scrumptious!

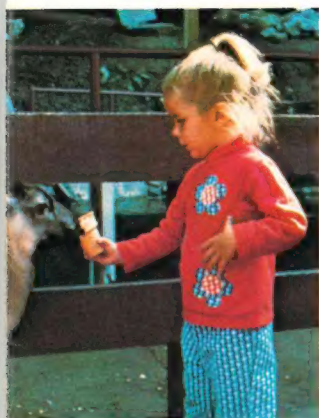

Explore the past in **RHINE LAND**. It's an 18th century Bavarian village, scooped up

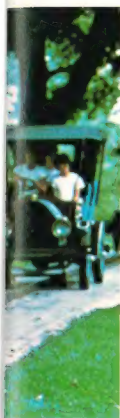

from the banks of the German Rhine and popped right into Hersheypark. At CARROUSEL CIRCLE, you'll whirl to nostalgic melodies as you ride an antique hand-carved horse on our famous turn-of-the-century carousel.

And on to "DER DEITSCHPLATZ"—the Pennsylvania Dutch Place—where you'll marvel at the skill of craftsmen. Watch artisans dip candles, blow glass, craft leather in the old-world tradition. Then, make your

way to the ANIMAL GARDEN; and talk to the animals! Cocoa, the baby elephant, has a special welcome for you there. Now climb to high adventure...250 feet, in Hersheypark's sensational Kissing Tower. It's the focal point of TOWER PLAZA, our newest theme area. Through windows shaped like giant Hershey Kisses, you'll be dazzled by the panoramic view of Chocolate Town USA; and all the excitement that awaits you below. It's your world down there ...to explore & enjoy. And there are more good times ahead...
